Dear Marc,

I am writing this letter to thank you and your staff at Area Networks for the all the help and dedication they provide. While working together with Area Networks you have provided us with excellent advice and direction that enabled us to help Area Temps resolve a tough situations dealing with Worker Comp issues. (Workman Compensation)

Without the help of your knowledgeable people we could not have kept up with the changing demands we are faced with as a thriving company.

Area Networks is a firm with high integrity and a reliable staff that has always gone beyond our expectations.

Warmest Regards,
